on, and are much esteemed.  
of their arrest can only be

barely got over considering  
of the Cornelia, when the Child  
American bark, which had just  
was ordered by the Government  
loaded with all dispatch, it having  
information that sundry packages  
ing arms had been shipped on  
of her at New York, and to make  
zu aure, beside the usual custom  
officer, two bodies of police were  
ed on board, the one being in uniform,  
other in private clothes. The vessel  
speedily discharged, but nothing un-  
usual was found, much to the astonish-  
ment of the gaping Lazzaroni that crowd-  
ed round the vessel, expecting to see cannon,  
and other wonderful things, come out of  
her.

**Serious Accident.**  
Our village (says the *Anderson Southern Rights Advocate*) was thrown into con-  
sternation on the morning of Wednesday,  
the 29th ult, by the upsetting and com-  
plete wreck of a carriage, in which were  
a party of ladies, consisting of an elderly  
lady, Mrs. Mary Mantz, Miss Kate P.  
Hobbs, and Miss Eugenia Lanham, all of  
Edgefield, and Miss Lizzie Pinnell, of  
Greenfield. The horses became frightened  
at some object opposite the residence of  
Mr. Joel Towers, and dashed off at a  
rapid speed. The noseband became de-  
tached from the tongue of the carriage,  
and having no means of holding back,  
the horses were compelled to run to keep out  
of the way, there being a gentle declivity  
in the street. The driver jumped off, and  
the horses being permitted to go at pleasure,  
on turning the street near the old  
livery stable, fell into a gully and remained  
stationary.  
The carriage was capsized and com-  
pletely demolished—torn all to pieces.  
Miss Lanham was uninjured. Mrs. Mantz  
and Miss Pinnell were badly hurt, but  
are now in a fair way of recovery. Miss  
Hobbs was slightly injured, but is now up  
and able to attend school.

**Health of Columbia.**  
We regret to learn that reports are  
circulated in the country which leave an  
impression that Columbia is sickly. We  
are not among those who would conceal  
the slightest indication of sickness, likely  
to prove dangerous to strangers, and we  
now positively assert, on the authority of  
practising physicians, that Columbia has  
not been so healthy for many years—and  
its general health is almost proverbial—as  
it is the present season. There is little or  
no fever, and the deaths which have oc-  
curred have all been from specific causes,  
having no relation to the general salubrity  
of our town.—*Carolinian*.

**A FRACAS IN A COURT ROOM.**—The  
Cincinnati Republican states that a fracas  
occurred in the court room at Madison,  
Ind., a few days ago, between the Hon.  
Jesse D. Bright, U. S. Senator, and M. C.  
Garber, Esq., editor of the Madison Cour-  
ier. Mr. Garber, being on the witness  
stand, it is said, insinuated that Mr. Bright  
was no gentleman, whereupon the latter  
hurled an inkstand at his head, which was  
returned by a blow from the editor's cane.  
The fight then became general, several  
others taking part in it, but quiet was  
finally restored, and the court fined about  
a dozen of them \$10 each.—[*Balt. Sun*.

**DEATH FROM DROWNING.**—On sale day  
evening last Capt. H. Henry, of this Dis-  
trict, in attempting to ford the river near  
this place, where the Newberry road crosses  
it, was thrown from his horse and  
drowned. Since the late freshet the ford  
has been impassable, and Capt. Henry, at  
the time of the accident, was unfortunately  
too much intoxicated to be aware of his  
danger or to save himself from his perilous  
attempt.—*Laurensville Herald*.

**FATAL ACCIDENT.**—We learn from the  
Chronicle and Sentinel that Mr. B. Pal-  
mer Tyler, of Graniteville, S. C., was ac-  
cidentally killed at the Eagle and Phoenix  
Hotel, in Augusta, Ga., on Wednesday  
night, 29th ult, by either falling or jump-  
ing from the window of his room in the  
third story.—*Carolinian*.

**HOMICIDES.**—We understand that, on  
Friday last, a man by the name of Joseph  
Futerell was killed by Isaac Medlin. They  
had been at a barbecue somewhere on  
the Sand Hills. At another barbecue,  
given the same day, or the day previous,  
a difficulty occurred between two men, in  
which both were injured, one of them, it  
is thought, fatally.—*Ibid*.

**DISCONTINUED.**—The post office at Pal-  
metto, Laurens District, has been discon-  
tinued.

**NOMINATION.**—A writer in the Evening  
News nominates Col. F. J. Moses for the  
office of Governor.

**ORITVARY.**  
We are requested to state that Di-  
vine service will be held in the Presbyterian  
Church at Lancaster, by the Rev. Mr. Dou-  
glass, on Sunday next, and at Waxhaw  
Church on the fifth Sunday of the present  
month.

**DEPARTED THIS LIFE.** September 23, 1852,  
at his residence near Pickensville, Alabama,  
Maj. EVERARD CURTIS, in the 71st year  
of his age. He was a native of Virginia,  
but from early life resided in South Carolina,  
where he is extensively known, and much  
beloved; many relatives and friends in that  
State will mourn his decease. In the fall of  
1834, he emigrated to this State, and spent  
the evening of life in quiet retirement; de-  
clining all public participation in political  
questions and party strife, that might unfit  
his mind for reflection of a higher and hol-  
ier nature. Perhaps few men have lived so  
long and made so few enemies.

AN OUNCE OF FACT, is worth a pound of  
theory; and the swarm of conclusive facts  
that cluster round the invaluable prepara-  
tion, Hoodland's German Bitters, prepared  
by Dr. C. M. Jackson, Philadelphia, estab-  
lishing its value as a tonic and restorative,  
are such as would prevent incredulity itself  
from questioning its efficacy. In all cases of  
diseases of the stomach, whether acute or  
chronic, it may be recommended for its  
soothing, cordial, and renovating influence.  
Dyspepsia, heartburn, loss of appetite, nau-  
sea, nervous tremors, relaxation, debility, &c.  
are relieved by the bitters in a very short  
space of time; and a perseverance in their  
use never fails to work a thorough cure.

Gastric Juice, prepared from Rennet of the  
Fourth Stomach of the Ox, after directions  
of Baron Liebig, the great Physiological  
Chemist, by J. S. Houghton, M. D., Phila-

for Indigestion, Dyspepsia, Jaundice, Liver  
Complaint, constipation and Debility, curing  
after Nature's own Method, by Nature's own  
Agent, the GASTRIC JUICE. Pamphlets,

**E. T. TAYLOR & CO.,**  
MANUFACTURERS OF  
PREMIUM COTTON GINS AND  
PATENT EXCELSIOR  
STRAW CUTTERS,  
Columbia, Ga.

THE Subscribers having completed impor-  
tant additions to their extensive Gin  
Manufacturing Works, and perfected in all  
respects the details of their celebrated Pat-  
ent Excessor Straw Cutter, beg leave to call  
the attention of Planters, and all others in-  
terested in the cultivation of Cotton, and the  
raising and feeding of stock, to the impor-  
tance and advantage of using the above nam-  
ed Machine. O. the subject of their  
PREMIUM COTTON GINS,  
little need be said to satisfy those who feel  
willing to be convinced of their superiority  
over those of any other manufacture, as evi-  
denced by the numerous certificates that take  
effect from our most extensive Cotton Plant-  
ers and cotton dealers, and in the premiums  
which have been uniformly awarded them by  
the various State Fairs and Agricultural So-  
cieties in Georgia and South Carolina, dur-  
ing the last five years. To all interested  
they would say they are prepared to supply  
on terms more reasonable than ever, any  
number of their Gins; all of which they ful-  
ly warrant to give satisfaction with proper  
usage.  
They would also call the attention of  
those interested in feeding stock, particularly  
to their newly invented  
Patent Excelsior Straw Cutter,  
manufactured on 2 1/2 horse power, and for  
sale by their authorized Agents in the prin-  
cipal Cities and Towns in the United States.—  
This Cutter they confidently offer as the  
most complete and effective machine for cut-  
ting hay, straw or fodder, ever invented.  
The objections which have been urged  
against all the straw and hay cutters hereto-  
fore used, viz: Slowness of operation and  
difficulty of keeping in repair, in this machine  
are entirely removed. As to its speed, they  
confidently assert that it would perform five  
hundred percent more than any other Cut-  
ter ever used. The knives are nineteen in  
number, of fine cast steel, presenting a cut-  
ting edge of thirty-seven-and-a-half feet. As  
they are never brought in contact with any-  
thing but the straw or other material to be  
cut, they do not wear out the machine, or  
soon become dull. The whole of them can  
be sharpened in five minutes, without remov-  
ing them from the machine. For the cor-  
rectness of these assertions, they refer to any  
of their numerous patrons.  
All orders received by letter, or through  
any of their Agents, will receive prompt at-  
tention; and any information cheerfully given,  
on application.

### State of South Carolina.

**EXECUTIVE DEPARTMENT.**  
WHEREAS, information has been receiv-  
ed at this Department, that an atrocious  
outrage was committed by a Negro  
fellow, on the person of a lady of Anderson  
District, on the 28th of July last, and that  
the said Negro had made his escape, Now  
be it known that in order that the said Negro  
fellow may be brought to trial, I, JOHN H.  
MEANS, Governor and Commander-in-Chief  
in and over the State aforesaid, do issue this  
my Proclamation, offering a reward of *Two  
Hundred Dollars* for his delivery to the Jail  
of Anderson District.  
The said Negro is a young fellow, not ex-  
ceeding 23 or 24 years of age, five feet six  
or eight inches high, well built, of rather  
yellowish complexion, comports himself coolly  
and sensibly, was well dressed at the time with  
dark coat and pants, checked shirt, and wore  
a cap and slippers. He was a stranger in the  
neighborhood, and represented himself as a  
Briek Mason from a distance, hunting work.  
He is believed by certain persons who saw  
him to be a fellow by the name of PAT, or  
PATERSON, who was taken from Anderson  
District to Alabama some eight years  
ago, by one William N. Wyatt, who after-  
wards sold him to a trader near Columbus,  
Georgia.  
Given under my hand and the seal of the  
State, this 14th day of August, A. D.  
One Thousand Eight Hundred and Fifty-  
two.  
J. H. MEANS. [L. S.]
